REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Stark:

I hereby respectfully submit my first report on the School of Stark.

B. The following pupils are attending the Groveton High School: John Pepau, Donald Croteau, Winston Gadwah, Harvey Hickey, Glen Miles, Zanita Pepau, Marilyn Rogers, Elbert Scott, Leon Hickey, George McKinnon, Lillian Bigelow, Roselyn Conley, Darriel Hodgkins, Chandis Gibson.

C. Perfect Attendance: The following named pupils are to be congratulated for perfect attendance during the school year 1945-1946: Beverly Miles and Homer Frizzell. It shows an earnestness of purpose of a caliber to be commended.

II. Teachers: The school year started with Mrs. Maude Sanderson teaching at Crystal and Mrs. Urania House and Mrs. Winifred Hart teaching at the Village school. Mrs. Elizabeth Stone was secured to fill the vacancy made by the resignation of Mrs. Hart.

The teacher supply in the United States has reached crisis proportions and we must all keep in mind the difficulty of filling vacancies as they occur. The teachers who have returned to aid in this emergency are to be commended for their patriotism, for it is with them during these trying times that a great measure of the future success of our country lies.

III. School Program: The Superintendent and teachers have carried on a continuous program of revision of the reading, program purchase of modern textbooks, and where possible, unifying the teaching program in the district.

ANNUAL REPORT

It is possible that by the beginning of next year we will have a program in reading, arithmetic, spelling, history, health, writing and science that will closely correspond as far as books and materials are concerned with those schools to which the pupils go after leaving Stark.

A testing program is to be inaugurated this term which will give us a fair picture of the pupil's strengths and weaknesses, thus enabling the teachers to better aid in the correction of these deficiencies.

Reference books, such as encyclopedias, have been purchased. The Superintendent secured from the State Library a set of encyclopedias for the Crystal School. Many supplementary books, both text materials and books for reading pleasure, are provided by the State Bookmobile.

IV. General:

A. Repair: The Village school rooms were painted this year and a new stove was purchased and installed in the primary room. Considerable repair is needed at the Crystal School. Though some have been made, the extent was so large that sufficient funds were not available to take care of this need.

B. The School should be the social center of the community, and in carrying out this precept the teachers in the Village and in Crystal have organized and aided in the presentation of parties, socials and other community activities. They are to be commended for their work in this field.

C. Health: Every pupil in the Stark School District was given a physical examination by Miss Florence Wheeler, R. N., school nurse. The following is pertinent information presented by the school nurse:

TOWN OF STARK

School Year Ending June, 1946

Defects and Corrections

Underweight	8
Defective vision	5
Under treatment 2	
Defective hearing	1
Cardiac	1
Special attention 1	
Defective teeth	23
Corrected as far as possible 10	
Enlarged tonsils	4
Operations 2	

Thirty-four school children received diphtheria immunization in two clinics. Audiometer hearing tests were given to all pupils except those in Grade 1.

V. Recommendations and Conclusions: The Superintendent believes that in order to carry out the minimum requirements of the school program, our teachers must be given financial reward commensurable with their contribution to the community. In view of the national and state trend, it will be impossible to staff our schools unless we follow this.

It would be desirable next year for this district to avail itself of the Federal aid for a program of hot lunches during the winter months. Funds are available and will be used.

It is evident that a major repair program is needed to maintain the Crystal School in a condition desirable to house our young boys and girls. It is therefore suggested that the community either carry this program of major repair or find other facilities for educating the youth of the Crystal area.

ANNUAL REPORT

The Superintendent suggests that in the next year we provide sufficient funds so that modern textbooks and teaching materials can be made available to our future citizens.

In conclusion, the Superintendent has found the discipline and morale of the pupils for the most part excellent. In the past, Stark's pupils have done reasonably well in the schools attended after leaving our district. It is hoped and desired that this will always be the case.

I wish to commend the teachers for their diligence and cooperation and to express my appreciation to the School Board for its help in providing schools for all the children of all the people. It is only through the combined efforts of pupils, teachers, citizens and the School Board that each individual child's needs may be realized.

Respectfully submitted

L. MUNRO GRANDY,
Superintendent.

Report of the White Mountains Region Association

To the Voters of the Towns in the White Mountains Region:

Your region association submits the following report for the year 1946:

Every town (46) contributed toward the support of association work. Some of the projects which these funds enabled the association to aid or accomplish were:

Locating a shoe-stitching plant in Lisbon employing 75 or more.

Locating a regional grocery warehouse in North Haverhill, nearing completion, to employ 50 persons and a large trailer-truck fleet.

Continuing Mountaineer summer rail service; fast through New York week-day service; week-end sleeper service; improved winter service.

Continuing prize contest for 4-H clubs and members to encourage young farmers.

In augurating prize meet for high school ski teams to encourage outdoor winter sports.

Assisting national ski races held at Franconia.

Continuing annual Ragweed Elimination campaign.

Surveying region vocational education needs and making recommendations to state commission

Sending Real Estate prospect bulletins to agents and owners to promote sales; organizing region Real Estate Board.

Conferring with boards of trade to assist on

local problems.

Holding sectional meetings with councilmen and selectmen to discover means to assist.

Securing assistance of state and national officials on region and town problems.

Cooperating with State Forestry and Recreation Commission to make plans for general regional development.

Cooperating with State Aeronautics Commission to insure region ports and service.

Representing region interests at conferences on industry, community welfare, winter sports, vacation business, etc.

Cooperating with State and New England agencies to secure data on accommodations, developments, etc.

Furnishing material and pictures for many stories in newspapers and magazines, data to schools, departments, etc., and cuts for use in town promotional material.

Printing and distributing 20,000 summer booklets and 20,000 winter folders, listing accommodations in all towns; distributing 10,000 fishing-hunting folders with sporting camps, laws, pictures, etc., and attending three shows to answer inquiries; arranging publication of 100,000 general 4-season pictorial folders listing all towns; distributing 2500 health folders; as well as several thousand pieces of other material.

Your association, with your help, can and will continue to do its utmost to promote along all lines the welfare of the region and its towns.

WHITE MOUNTAINS REGION ASSN.

A. G. Hazeltine, Executive Secretary.
